

Hi folks,

With the 2009-2010 swim season is underway and it is time to get the club organized for the coming year.

Please plan on attending our club's annual general meeting Saturday, October 24, 2009, immediately following our swim. As usual the meeting will be accompanied by a bit of a snack. Check the bulletin board poolside for the signup sheet.

The club wouldn't function without volunteers and now is the time to consider helping out. This year we are looking for two people to fill the following positions on our club's board of Directors

- Vice-President - This position, typically, leads to the President's role two years in the future.
- Secretary – Requires attendance at the monthly meeting, plus a bit of time organizing the minutes. Not a huge time commitment.

As well the club needs people to fill the following important roles:

- Social Coordinator – We need someone to organize the club's occasional social events. Events like the Pop Sidwell Banquet, Progressive Dinner and the pizza outing.
- Club representative at Masters Swimming Manitoba – This is a great position for a swimmer who is interested in the Masters swimming world beyond our club. It involves attendance at a monthly MSM meeting and a verbal report back to the Mid-Can board at our board meeting. We are actually allowed to send two representatives, so if this is something you want to do, you'll be in for sure.

If these positions aren't for you, give a bit of thought for who in the club they might be good for. Suggest to that person that they step forward. (Maybe give them a little push?)

Rod Clifton is organizing this year's potential board members and volunteers. So talk to him, or any other board member if you are interested.

If you would like more information about any of these positions, just ask any of the long term club members. Most, if not all, have spent some time in one or more of these jobs.

We really do need your help to keep the club running.

See you in the pool.

Terry

P.S. Don't forget the Pop Sidwell swim meet is coming up soon. We will need some help with that too!
