1. Approval of minutes from Feb 10, and March 10 2005. Moved by Shannon, passed by Bob.
2. Member ship Report: Roy  
38 swimmers in October, 51 in April, this means an increase of 30%. Several have been brought in by Paul and some from Jack and a few other members. We should contact previous members and invite them to a swim and a beer (old timers night), or the progressive dinner.
3. Stroke workshop:  
Can we get some tri-athletes gearing up for their season in for a stroke correction?  
We could make pamphlets and a poster for Provincials.  
Perhaps we need a marketing poster for the club as well.  
Motion to try a few Saturday swim clinics by Bob, 2<sup>nd</sup> by Colleen. Passed. Start after May long, around May 28<sup>th</sup>, Kathleen will ask Paul to make sure dates will work out, and that he is a round to do this.
4. Progressive supper:  
Forte Whyte is way to expensive. We'll stick with the usual. Bus options include a 3 or 4hour rental. Kathleen is still looking into it. Lets get out our former members and co-invite them to swim that Saturday as well.
5. Financial Report: Colleen  
See hard copy hand outs / Income Statement, 01 November 04 to 31 March 05/
