

Mid Can Masters  
Feb10/05

Members present: Roy, Bob, Terri, Tracey  
Regrets: Colleen, Shannon

- 1) Business arising from last meeting minutes
  - Bingo Bowl 2 couples have e-mailed that they will be there and there is a sing up list to check as well
  - Pamphlets, Roy will attach them to the next club e-mail and get Bob to have a link to them on our web site
  - lane four still requires a leader
  - Pop Sidwell, Colleen has done a break down, it looks there was a profit of around \$214 . Colleen is also going to do projected revenue to show what sort of break down is needed for the up coming year. At the moment there is just over \$5000 in the Mid Can bank account.
  
- 2) MSM
  - they would like a list of names of those interested in the up coming Nationals.
  - Manitoba Masters would prefer not to organize Provincials every year. Mid Can would prefer not to as we already organize the Pop Sidwell meet. We could just call it Provincials every once in a while but then it is one meet per year. It doesn't seem fair that other Masters teams that are very small should run a meet if they don't have the man power. Manitoba Masters is large; would they run a different meet? They have more members than any other team. Maybe the smaller teams could try to get together and do a meet every once in a while.
  
- 3) Progressive dinner
  - social chair is not here, another house is still needed.
  
- 4) Saturday mornings
  - just a note that Saturday mornings have been smooth, that guards have been there, the pool is opened, Frank Kennedy staff are there. Team members are pleased and have noticed this.
  
- 5) Pop Sidwell classroom rental for next year has been set for 2:30 to 6 and pool from 1:30 to 6.

Next meeting: March 10<sup>th</sup>

Business to be discussed: Progressive dinner

Meeting adjourned 7:58
