2018-2019 Mid-Can Masters Membership Package Attached

Attached is our 2018-19 Membership Package. The club lost money this year. As a result our membership fees have had to increase. Also attached is a letter from our President Wenda Dickens explaining the club executive's rationale for the new fees. Further discussion will occur at the upcoming Annual General Business Meeting October 20th. Other changes this year are an early-bird fee for those members signing up (and paying) before October 1, 2018. There is also a new monthly membership option for members whose are unable to swim with the club the whole season.

To get the early-bird rate, please give your membership form with the signed release and your cheque to Colleen, or any other executive member, prior to October 1st, 2018.
