Joyce Fromson Pool - September 6, 2020

**Joyce Fromson Pool - September 6, 2020**

**\*\*NewsFlash: Joyce Fromson Pool to Reopen\*\***

Sept 15, 2020 Wenda Dickens and Roy Eldridge met with Simon Wang (Director | Facilities, Faculty of Kinesiology and Recreation Management) regarding the pool reopening. The news is good - the pool will be reopening in October. Exactly when will depend on some window replacement/upgrades they are doing. Information about reopening status and their mask policy is available on the [U of M Recreation Services Website](#).

At the meeting with Simon Wang it was learned:

- **The facility is unable to offer Mid-Can the [Saturday 8:00 - 9:30 AM](#) practice time. This is because of reduced pool hours and the need to accommodate Bison Swimming as a priority. They are offering us either [Saturday 3:30 - 5:00 PM](#), or [Sunday 10:15 - 11:45 AM](#) as an alternative. Please contact [Wenda](#) to let her know your preference.**
- **The [Tuesday & Thursday 8:30 - 10:00 PM](#) practices will be unchanged.**
- **The pool rental rate will be the preplanned 5% increase - \$76.00/hr. This is less than the \$90.00/hour they previously suggested.**
- **We will be limited to 3 swimmers per lane.**
- **The original pool showers and lockers in the Joyce Fromson area would be used by swimmers.**
- **The club is not required to have a coach on deck.**
- **Wearing a mask will be required when entering and leaving the facility - except when on the pool deck or in the water.**

The executive will be meeting within a week to decide on the reopening procedure and the fee schedule.

## [Pal Temesvari Retiring](#)

It is with great sadness that we announce the retirement of our coach Pal Temesvari. Pal has been Mid-Can's coach since 1992, and his expertise, friendly encouragement and fun but challenging workouts will be missed. For many club members Pal is the only masters coach they have had. Pal has been coaching swimming for over 50 years and has earned a true retirement. We must accept that he has chosen a quieter lifestyle. The club will be searching for a new coach but will start up using some old saved workouts from previous years. Those wishing to send a few words to Pal can email him by clicking [here](#).
