Joyce Fromson Pool - Oct 18, 2020

Joyce Fromson Pool is Open

We are planning our first swim Tuesday, November 3, 2020. The executive has finalized the fees and sorted out the necessary waivers. Attached is the 2020/2021 Membership Registration Form, three CIMS/MSO consents/waivers, and the University of Manitoba Waiver. **Because of COVID we would prefer the forms, waivers and payments to be done electronically, but if you do not have the technology, paper and cheques will be accepted.** We will require your registration form before the Active Living Centre will provide you with a Facilities Use Card. If you plan on registering with a printed registration form, please contact [Mary Ann Mork](mailto:MaryAnnMork@mymts.net) to arrange for her to get your registration so your Facilities Use Card can be generated.

2020/2021 Membership Registration Form

- This is an PDF-Form and is best completed and e-signed in Adobe Reader.
- Returning members will have a credit from last year as per Roy Eldridge's Oct 16th email. You'll need to add the credit amount to the registration form.
- When complete you can e-sign it and then save it. If you could add your name or initials to the document's name it would help - but this is optional.
- Then email the form to [Mary Ann Mork: mmork@mymts.net](mailto:MaryAnnMork@mymts.net).
- Then use eTransfer to pay your fee to midcanmasters@mymts.net. We prefer payment with eTransfer but will accept a cheque if you are not able to pay with eTransfer.

University of Manitoba Waiver

This is required by the University to use the Active Living Centre Facilities. When we receive your registration form and payment we will forward your name to Simon Wang at the ALC. He will generate a Facilities use pass for you, and leave this card at the ALC desk for you. They have waivers for you to sign at the ALC desk - or you can bring your own (attached) with you. **Please allow 3 days time for this to occur or you may not get in!**

COVID Protocol for Active Living Centre, Joyce Fromson Pool, and Mid-Can Masters Swim Club

There will be a strict COVID protocol for use to follow when entering/leaving the facility, using the locker rooms/showers, when on the pool deck, and when swimming in the pool. The executive is working to produce a the best plan we can to protect us and which includes the University and CIMS/MSO requirements. Once this is approved the COVID will be forwarded to you and will be posted on our website.

Of course the plan will include that we self-monitor for COVID symptoms or known exposure. If you have COVID symptoms or a known exposure, or recent travel please do not come to the practice. Use the [Manitoba COVID-19 Screening Tool](#) prior to coming to the workout. In the faculty do wear a mask at all times, except when swimming, and maintain a 2 meter physical distance from others. In the pool we will have a plan to maintain 2m physical distancing.
