

Mid Can Update

Hello all Mid-Can Masters swimmers,

We were so close to getting in the pool!

I want to give you an update on what is happening. We obviously will not be swimming until Winnipeg is no longer in Code Red. I am not optimistic that we will be swimming before the December shutdown, as five weeks after the start of the shutdown will be December 17.

If you want to join us when we start-up again, we ask that you register with the club and pay your fees. We are asking you to pay the first installment fees as listed on the registration form. The reduction in fees due to the current shut down will be applied to the second payment. We will extend the period covered by the first installment by the amount of time/number of practices we do not swim. For example, if we start swimming January 5, 2021, we will have missed a potential 20 practices or 7 weeks. The period of the first installment will be extended to April 18, 2021. The second period would be April 20 to August 31, 2021.

Please complete your registration and waiver forms and email to Mary Ann Mork. Our preference is that you complete the registration process electronically, including payment through etransfer. However, if that is a problem, you can print and sign the forms and mail them with a cheque to Mary Ann at 38 Hyatt Place, Wpg R2N 1W2.

As a reminder, you need to sign the University of Manitoba COVID waiver before you can receive your swipe card for entry. To speed up the process you can print the form, sign it and take it with you the first time you swim.

Attached is a document that outlines procedures we will have to follow when we start to swim at the University. The protocol was developed by the board in discussions with the University of Manitoba and Masters Swimming Ontario. If you have any question, please contact me at wenda.dickens@gmail.com.

We will let you know as soon as we hear anything from the University.

Take care and keep safe. See you in the pool!

Wenda Dickens
